SPECIFICATIONS

Our **UTILITY** Range reflects the knowledge and expertise that Marlin Campers has gained since we began in 2006.

Owner Steve has put everything he's learnt into this camper, while maintaining Marlin Campers Core Mission Statement.

Every camper should be light enough for any car to tow, tough enough for every track, and a simple set up for every user.

GET OUT THERE AND Explore

Marlin **UTILITY TRAILER** is designed for those who want the pleasures of Marlins trailer, with the basic comforts of a swag or roof tent top.

UNDERNEATH

Chassis:

Made with 50 x 50 RHS steel

Drawbar:

100 x 50 x 1500

Eye to Eye Rebound Suspension:

This is crucial for corrugation and other surfaces where the trailer is taking a hit underneath. We also offer **CRUISE MASTER INDEPENDENT SUSPENSION** for those that prefer the independent set up.

Axle:

45mm Square Axle

Brakes:

10 Inch Electric Brakes with Handbrake

Rims & Tyres:

Brand New All Terrain 235/75/15 on a black steel rim with Cruiser stud pattern

Dual Stabiliser Legs

Rear Recovery Receiver

Off Road Ark XO Hitch:

This still fits a ball but has the full off road articulation of similar hitches

Front Steel Bash Plates:

Increased protection on the front corners

INSIDE THE TRAILER

The bottom section is where we fit out the camping gear. This is where you get to choose from a range of kitchens from slide out to smaller tailgate models.

Our standard package includes the following:

- **Slide Out Kitchen**
 - **60 Litre Water Tank**
 - **120 AH Battery with ARK BMS**
 - **Multiple USB and Cig Socket**
- Outlets inside the main section and near the kitchen.**

TOP HALF

The top is up to you. You can have a large storage area like the one on display with 2 side doors.

Great for storing swags, camping furniture or anything else you need.

The roof can mounted with a **Roof Top Tent** and a **Wraparound Awning**.

We supply:

Drifta
